Welcome to the RescueGroups.org Online User Guide!

We know documentation can be scary, but trust us, we're making this guide better and easier to use every day. We want you to be a success, so if you can't find the answers to your questions in this guide, just ask us!

The Getting Started Guide is a collection of the most-used features of our services, and should help you get started.

And overall, this User Guide will give you the setup and configuration information for all of the RescueGroups.org services.

This guide is meant to familiarize you with our services and how everything is organized and accessed in your account. From here, you can go to the individual user guides that will help you understand each service. So, welcome aboard!
