Cancel Save Settings

If you want to have recurring donations, you must set up PayPal as an **Affiliate**. A PayPal business account is required to use recurring payments.

If you are using the **Website Service**, the Sponsorships functionality allows you to automatically track sponsorships from your website. If you are using the **Data Management Service**, you can use the sponsorship feature to enter sponsorships manually.

See the chapter, [About sponsorship settings](#) in this guide for information about the rest of the selections for sponsorships.
