

How to upload to YouTube

Where do I find it?

To upload animal videos to YouTube from your RescueGroups.org account, go to **Animals > Settings**.

Below are the steps to enable video uploads to YouTube.

If you want to upload videos to RescueGroups.org's account on YouTube

To enable uploads of videos to RescueGroups.org YouTube account, do the following:

1. Go to the **Animals Settings** page (**Animals > Settings**).
2. Click **Export Settings**.
3. Near the bottom of the **General exports settings** section, find the option named **Account to use for YouTube video upload**.

Account to use for YouTube video upload

RescueGroups.org ▼

YouTube authorization code

[Click here](#) to get your authorization code. The authorization code is only necessary if you want to upload YouTube videos to your organization's YouTube account instead of RescueGroups.org's.

4. Select **RescueGroups.org** in the drop-down list.
5. Click the **Save** button at the bottom of the page.

If you want to upload videos to your own organization's account on YouTube

To enable uploads of videos to your own organization's YouTube account, do the following:

1. See the above instructions. From the **Account to use for YouTube video upload**, select **Organization** in the drop-down list.
2. Click the **Click here to get your authorization code** link. A new browser window opens.
3. Log in to the appropriate YouTube account, if necessary.
4. Click the **Accept** button to grant the **RescueGroups.org Animal Videos** app access to upload videos to your account.
5. Click inside the text box containing the authorization code. The entire code should highlight – if it doesn't select the entire text contents inside the text box.
6. On the browser menu, click **Edit > Copy** to copy the authorization code to the clipboard.
7. Switch back to the previous browser window (the **Export Settings** page) and click inside the **YouTube authorization code** text box.
8. If there is already an authorization code in the **YouTube authorization code** text box, select it and press the **Delete** key on your keyboard.
9. Paste the authorization code from YouTube into the text box by clicking **Edit > Paste** on your browser's menu bar.
10. Click **Save** at the bottom of the page.
