Importing animal data from Adopt-A-Friend

Adopt-A-Friend is one of several rescue and shelter software packages which uploads adoptable animal data to RescueGroups.org.
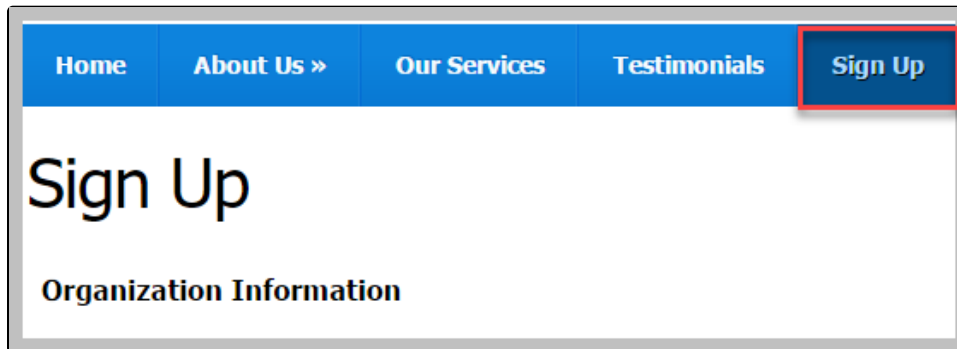

> ⚠ **NOTE**
>
> We are very happy that many providers are committed to helping the community just as we do at RescueGroups.org. If the service you are currently using isn't doing everything they could to help you and your animals, please consider switching to one of the community-focused companies that are working with the rescue community.

Uploading your animal data

To upload animal data from Adopt-A-Friend to RescueGroups.org, follow these instructions:

1. Sign up for an account with RescueGroups.org if you don't already have one. You can do that on the RescueGroups.org website: http://www.rescuegroups.org. Click the **Sign Up** link from the top menu bar and fill out the information on the form.

2. After your account is created, contact our support team and request an upload from Adopt-A-Friend. You will receive a confirmation email from us with the username and password to use when configuring the Adopt-A-Friend upload. If you need help configuring Adopt-A-Friend please contact Adopt-A-Friend support.
