

Exporting data to Dogs in Danger

RescueGroups.org is the only service that automatically uploads adoptable pets to the Dogs in Danger website.

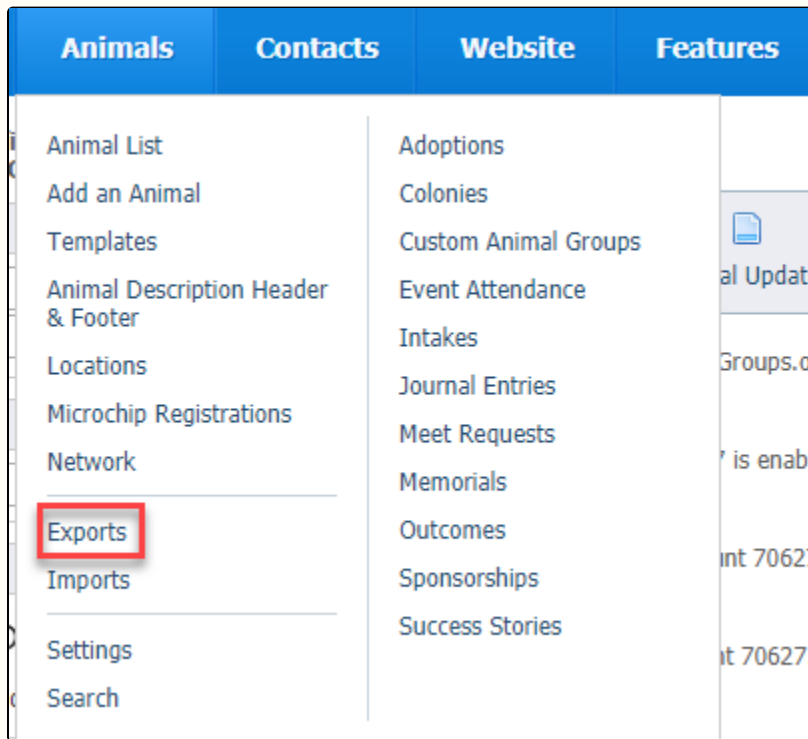

These are the requirements for acceptance of adoptable pets to the Dogs in Danger website:

- Dogs only
- Euthanasia reason must be provided
- Euthanasia date (in the future) must be provided

Where do I find it?

Log in to your account and go to **Animals > Exports**.

On this page:

- [Enabling exports to Dogs in Danger](#)
- [Verifying the requirements](#)
- [How long does it take to update the Dogs in Danger website?](#)
- [Do you need help?](#)

Enabling exports to Dogs in Danger

Before Dogs in Danger can pull your data, you must enable the export. Follow these steps:

1. Log in to your RescueGroups.org account (Browse to <https://rescuegroups.org> and click the **Login** button at the top of the page).
2. Click **Animals > Exports** from the top menu tabs.
3. Scroll down to **Dogs in Danger**.
4. Verify that it says **Dogs in Danger enabled**.
5. If it says **Disabled**, click the link to **Enable**.

Verifying the requirements

Ensure that your dogs meet the requirements by sharing the euthanasia information:

1. Log in to your [RescueGroups.org](https://rescuegroups.org) account (Browse to <https://rescuegroups.org> and click the **Login** button at the top of the page).
2. Click **Animals > Settings** from the top menu tabs.

Important

You must have *Site Admin* permissions to use the **Settings** menu.

3. Click **Exports Settings**.
4. Scroll down to the **Privacy settings** section.
5. Verify that **Yes** is selected for **Show the animal's euthanasia information**.
6. If **Yes** is not selected, click the radio button next to the **Yes** option and then click **Save** at the bottom of the page.

When adding or updating a dog, make sure you enter a **Euthanasia Reason** and **Euthanasia Date**.

How long does it take to update the Dogs in Danger website?

Dogs in Danger retrieves your data on their own schedule, normally once a day. Your pets on the Dogs in Danger website should update the following morning. There is no way to force a retrieval.

Do you need help?
