

About submitted forms statuses

Your volunteers can set a status for a submitted form to alert the other volunteers of where the form is in your process.

Where do I find it?

From Features > **Submitted Forms**, select the form for which you want to change the status. Select the edit icon from the left of the form. Use the drop-down menu to change the status.

List of available status selections

The following is a list of the Statuses and whether or not they are **Pending** (still open):

If you set a Submitted Form's status to one that is not Pending, it will be removed from the Default view on the Submitted Forms. As you process your **Submitted Forms**, when a form has completed your process, you should set the status to one that is not **Pending**.

Use a status that has Pending "No", to close an open form.
