Print a Kennel Card from an Animal Page

You can print a kennel card directly from the animal record. Open the particular animal record in your RescueGroups.org account and select **Kennel Card** from the list at the top of the page as highlighted below.

Media

Print a Kennel Card from the Reports page:

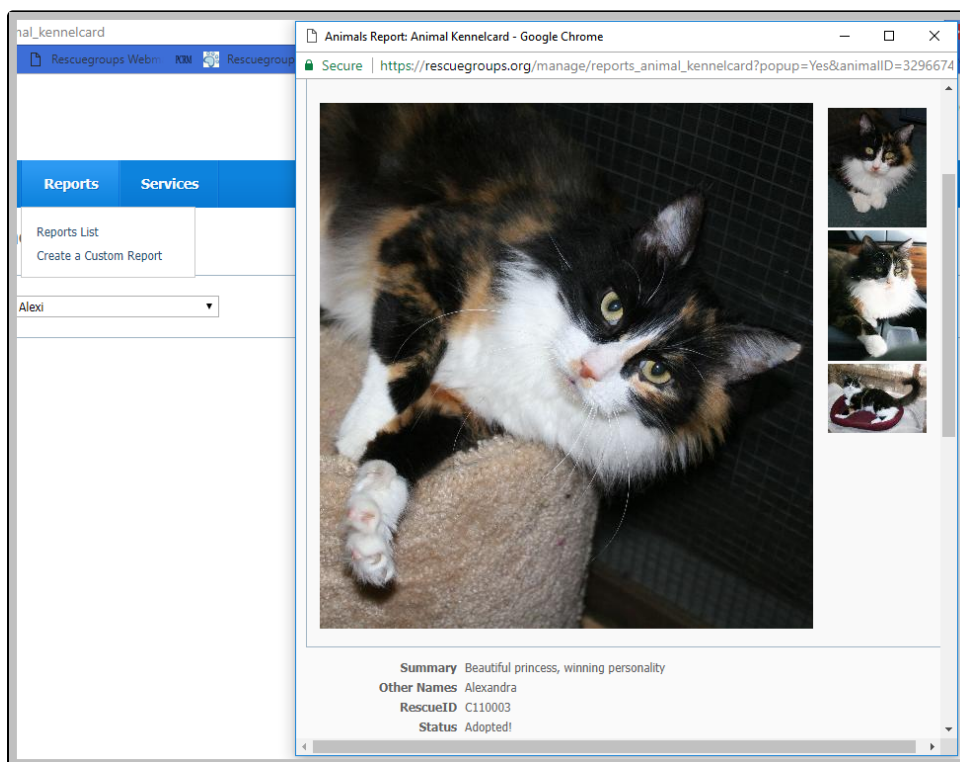

1. Click **Reports** from the top menu bar and select **Reports List**.
2. Scroll down to the two **Kennel Card** selections and choose one.

3. Select one of your organization's animals from the drop-down menu and then click **Run Report**. A popup box displays the **Kennel Card**.

4. From the upper right corner of the popup box, click the **Click to print** link.

Save time and paper! If you want to have a list of all your adoptable pets available at an adoption event, Use the [Pet Adoption Kiosk](#) instead of printing animal kennel cards.
