

Email Marketing Service Guide

Welcome to the Email Marketing Service. This guide is meant to help you through the entire process, from learning about email marketing campaigns, to creating, editing, and deleting campaigns for your own organization.

Email marketing campaigns are so useful! You can create a template for thank you notes, for fundraisers, announcements for events, or anything that you want to email out to many of your contacts at one time.

We also guide you through the process of ensuring that your email is not spam.
