

About your service status

The **Service Status** page shows you information about RescueGroups.org service outages. If you are having a problem with your service, the **Service Status** page is the first place you should look for information.

✔

Where do I find it?

You can find notifications about the service status here: [Service Status](#).

In addition, you can find it through your account interface by clicking **Services > Account Administration** and then click **Service Status**.
