# _About_your_invoices_Content_v1

From the invoices list, you can print or email any of your invoices. You may need to email the invoice to another person within your organization if they do not have access to your RescueGroups.org service. However, there is an **Accounting** security role so you can grant staff access to just the **Invoices** page

You can also see your current balance and pay online with a PayPal account (or credit card through PayPal). See the section below, **Paying with PayPal.**
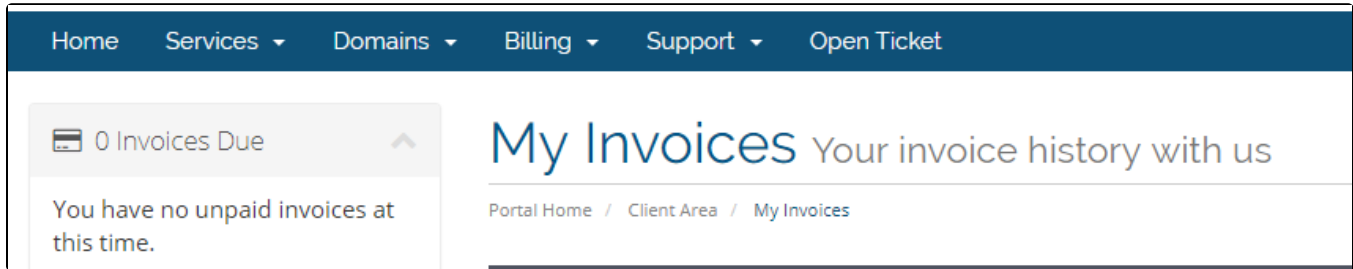

Paying your bill

We accept two forms of payment: check and PayPal. You can also pay by credit card using PayPal.

If you can't access your invoice you can make a manual payment

If you can't access your invoice using the instructions above, you can send payment with PayPal to payments@rescuegroups.org – then please immediately let support know (including the PayPal transaction ID) that you have made a manual PayPal payment so we can post the payment to your account.
